Gillies Coffee Sale

The most comprehensive Sale that we have planned in

our whole 61 years of business. Every reader of this paper knows that our Special Sales are usually confined to a single item. This one includes many items, with larger reductions on the higher grade coffees to induce more and more people to try them.

Three generations of customers know from experience the superior excellence of the Gillies Teas and Coffees. With flaming advertisements crying out to them from all sides, they still call and write for the tried and true brands. This sale is to afford an easy trial of Gillies Teas and Coffees to a much wider circle. Mail orders and telephone orders will be tilled for 5-lb. lots. Simply send postal—or ring up 3471 Cortlandt. Remember that our 61 years of experience in this one line give us a thorough knowledge of Teas and Coffees. You are absolutely certain of the purity, the excellence of whatever you buy here. If the Tea or Coffee isn't PRECISELY what you desire in every respect we will cheerfully exchange it or refund your money.
